PROGRAM

of Horizon 2020 Seminar/Round Table: S&R Community Building Kiev, Ukraine, 01/11/2016

16.30 - 18.30 +

Genter for

Place: Centre for Innovation Development of National University of Innevations Kyiv-Mohyla Academy adress: NaUKMA, FACULTY OF ECONOMICS,

Development aud.201, buld.6, Voloska str., Kyiv 04655, Ukraine

Agenda:

Time Topic Speaker 16:20 – 16:30 Registration 16:30 – 16:50 Opening address, Presentation of participants Intro STRIM: Community Building Network Of Ukraine, 16:50 – 17:05 Goals and Tasks of Public Innovation Network Of Ukraine, 17:05 – 17:40 Convergence of Energy & Environment, Energy Security & ICT Energy Security & ICT Energy Security & ICT Energy Security & ICT Energy Security Building Horizon 2020: VICINITY, SHARE-Q examples STRIM: Community Building goals, Calls preparations roadmap 17:40 – 17:55 (15min) 17:55 – 18:10 Coffee-break. Speaker Q&A 18:10 – 18:40 Open Panel discussion with the speakers on Collaboration. Way forward. Next steps. 18:40 – 18:50 Resolution, Closing remarks	Agenda.			
16:30 – 16:50 (20min) Opening address, Presentation of participants Intro STRIM: Community Building 16:50 – 17:05 (15 min) 17:05 – 17:40 (35 min) Oconvergence of Energy & Environment, Energy Security & ICT Ecosystems Building Horizon 2020: VICINITY, SHARE-Q examples STRIM: Community Building goals, Calls preparations roadmap 17:40 – 17:55 (15min) Integration Of Ukraine To ERA: Reality of the process Integration Of Ukraine To ERA: Reality of Copen Science, Open Innovation 17:55 – 18:10 Open Panel discussion with the speakers on Collaboration. Way forward. Next steps.	Time	Торіс	Speaker	
(20min) Presentation of participants Intro STRIM: Community Building 16:50 – 17:05 (15 min) 17:05 – 17:40 (35 min) Convergence of Energy & Environment, Energy Security & ICT Ecosystems Building Horizon 2020: VICINITY, SHARE-Q examples STRIM: Community Building goals, Calls preparations roadmap 17:40 – 17:55 (15min) Integration Of Ukraine To ERA: Reality of the process Integration Of Ukraine To Open Science, Open Innovation 17:55 – 18:10 Open Panel discussion with the speakers on Collaboration. Way forward. Next steps.	16:20 – 16:30	Registration		
Intro STRIM: Community Building 16:50 – 17:05 (15 min) Retwork Of Ukraine, Oordinator of PINU 17:05 – 17:40 (35 min) Convergence of Energy & Environment, Energy Security & ICT Ecosystems Building Horizon 2020: VICINITY, SHARE-Q examples STRIM: Community Building goals, Calls preparations roadmap 17:40 – 17:55 (15min) Integration Of Ukraine To ERA: Reality of the process Integration Of Ukraine To ERA: Reality of the process Tributation of Ukraine To ERA: Reality of Copen Science, Open Innovation 17:55 – 18:10 Coffee-break. Speaker Q&A 18:10 – 18:40 Open Panel discussion with the speakers on Collaboration. Way forward. Next steps.	16:30 – 16:50	Opening address,		
16:50 – 17:05 (15 min) Network Of Ukraine 17:05 – 17:40 (35 min) Convergence of Energy & Environment, Energy Security & ICT • Ecosystems Building Horizon 2020: VICINITY, SHARE-Q examples • STRIM: Community Building goals, Calls preparations roadmap 17:40 – 17:55 (15min) Integration Of Ukraine To ERA: Reality of the process 17:55 – 18:10 Coffee-break. Speaker Q&A 18:10 – 18:40 Open Panel discussion with the speakers on Collaboration. Way forward. Next steps.	(20min)	Presentation of participants	Coordinator of Innovation	
(15 min) Network Of Ukraine Coordinator of PINU 17:05 – 17:40 (35 min) Convergence of Energy & Environment, Energy Security & ICT Ecosystems Building Horizon 2020: VICINITY, SHARE-Q examples STRIM: Community Building goals, Calls preparations roadmap 17:40 – 17:55 (15min) Integration Of Ukraine To ERA: Reality of the process The process Integration Of Ukraine To ERA: Reality of Copen Science, Open Innovation 17:55 – 18:10 Coffee-break. Speaker Q&A 18:10 – 18:40 Open Panel discussion with the speakers on Collaboration. Way forward. Next steps.		Intro STRIM: Community Building	Network Of Ukraine,	
17:05 – 17:40 (35 min) Convergence of Energy & Environment, Energy Security & ICT Ecosystems Building Horizon 2020: VICINITY, SHARE-Q examples STRIM: Community Building goals, Calls preparations roadmap 17:40 – 17:55 (15min) Integration Of Ukraine To ERA: Reality of the process Integration Of Ukraine To ERA: Reality of Copen Science, Open Innovation 17:55 – 18:10 Coffee-break. Speaker Q&A 18:10 – 18:40 Open Panel discussion with the speakers on Collaboration. Way forward. Next steps. Samovich N, PhDc, Head of R&I of ENERCOUTIM, PT, Head of Ethics Advisory Board of VICINITY project within H2020 program. Coordinator of project RES-ON Andriy Shevchenko, ERA Ukraine, Coordinator of WG Euro-Integration Of Ukraine To Open Science, Open Innovation Moderated by Nochvai V. with speakers speakers	16:50 - 17:05	Goals and Tasks of Public Innovation	Nochvai V., PhD, IPME,	
(35 min) Energy Security & ICT Ecosystems Building Horizon 2020: VICINITY, SHARE-Q examples STRIM: Community Building goals, Calls preparations roadmap 17:40 – 17:55 (15min) Integration Of Ukraine To ERA: Reality of the process Integration Of Ukraine To ERA: Reality of the process Open Science, Open Innovation 17:55 – 18:10 Open Panel discussion with the speakers on Collaboration. Way forward. Next steps. Of ENERCOUTIM, PT, Head of Ethics Advisory Board of VICINITY project within H2020 program. RE5∞ON

Goals:

- Creation and development of direct links between expert communities of Ukraine and the European Union, as representatives of the 4-th spirals (civil Society) in the dialogue EU-Ukraine through Science-Technology-Innovation-Sustainable development;
- Finding ways to integrate Ukrainian scientists and researchers in the European Research Area and the role of expert community in this process;
- Implementation of joint mechanisms of accumulation and exchange of information: establishment of a joint knowledge management platform for co-operation and exchange between stakeholders of European and national research areas (STRIM);
- Collaboration on the Call ICT-11-2017 Collective Awareness Platforms for Sustainability and Social Innovation.

According to Report for the Work Program 2018-20 (H2020 AG International Cooperation: Report 14/06/2016), - "... the main objectives and drivers for international cooperation and the crucial role it should have in H2020:

- To support a Common Knowledge and Innovation Space with the EU's neighboring countries;
- To identify hotspots of excellence in developing countries and establish long-term collaboration;
- To use Science diplomacy as "avant-garde" and support for cooperation in other policy areas"

ABOUT

CALLS:

<u>ICT-11-2017</u> Collective Awareness Platforms for Sustainability and Social Innovation <u>EE-07-2016-2017</u> Behavioral change toward energy efficiency through ICT

RES-ON

RE5©ON

The project **RES-ON** and the related collaboration teams aim to design, develop, integrate and demonstrate a software solution under System of Systems approach to be powered by business processes and a business model for intelligent control and management of small and medium size electric power grid systems. The approach is geared towards emerging class of prosumers.

RE5∞ON

STRIM

The initiative and collaborative community STRIM aims at building an active network, initiatives and projects activating stakeholders within UA research community various industry vertices in order to allow for cross borders collaboration, joint research programs fomentation and joint calls preparations for European research programs within H2020 program, ERA, etc.

Public Innovation Network Of Ukraine

Civic Platform "Public Innovation Network Of Ukraine" and expert's community "Innovation Network Of Ukraine" - establishment of interaction and cooperation among scientists, teachers, owners of intellectual products, representatives of the intellectual community of Ukraine in the innovation network to create favorable conditions for Ukraine's transition into an innovative development path

Centre for Innovation Development of National University of Kyiv-Mohyla Academy The Center for Innovations Development (CID) is a subdivision of the Kyiv-Mohyla Academy (KMA) created in 2013 .

☐enter for ☐nnevations ☐evelopment

The CID team is united by common values, professionalism and a desire to realize social responsibility to benefit the Academy.
